

# CUSHCRAFT 13B2

## BOOMER 2 M DX - 13 ELE.

The Cushcraft 13B2 Boomer versatile yagi will be the choice for high performance across the entire 2 meter band. The 13B2 is easily mounted vertically or horizontally for maximum performance on your favorite mode. Its boom length makes it a popular antenna that fits just about anywhere. The new UltraMatch balanced feed provides a 50 Ohm match via a standard SO-239 PL female connector. Stainless steel hardware and high-grade 6063-T832 tubing are used in all Cushcraft antennas.

### Specifications
