

ALAN PRC-8

MOTORCYCLE LANE-TO-LANE COMMUNICATOR

Clearance | New, originally packed | Cannot be returned or changed for other products.

Motorcycle Lane-to-Lane communicator with intercom and FM radio. Rugged, yet lightweight case built for years of use, mounts on your belt or pocket with a clip. Push-To-Talk (PTT) with button on handlebar or Voice-Activation (VOX) for hands-free operation.

Noise cancelling mics for maximum clarity and freedom from VOX false triggering even in high noise environments. No need to talk loudly to be heard. With beeper "call" to signal incoming calls and low-battery flashing LED indicator for the extra bonus in performance features. Max. service area is approx. 400 m., depending on surroundings.
