

RM RT23SW

CONVERTER 24 VDC/12 VDC | 23 A CONT.

DC/DC converter, switching technology
Protected against overvoltage, short circuit and inverse polarity

Specifications

Input voltage range : 20-30 VDC
Output voltage range : 13,8 VDC
Continuous output current : 23 A
Max. output current : 27 A
Ripple : 50 mV
Dimensions : W 200 x D 100 x H 35 mm
Weight : 0,7 kg
