

HEIL SOUND PRSM-B

SHOCK MOUNT FOR PROFESSIONAL MICROPHONES

The SM-2 Shock Mount is a flexible support system that helps suppress low-frequency rumble on the microphone line by absorbing and damping vibrations picked up from the studio desk or console.

The SM-2 is designed for use with the large-diameter professional-grade Heil Sound microphones, including the PR-30, PR-35, PR-40 and PR-781. Its 5/8" threads mount onto the PL-2T "Topless" and other mounts, for easy installation.

Colour: Black

Also Champagne colour is available.
