Dimensions : W255 x H375 x D148 mm (excl. shoulder strap and handle)
Weight : approx. 1 kg (excluding accessoires)

* Make your backpack personal in a few steps, by creating your own label with call sign.

<u>Download the PDF file with 12 different templates and open it in Adobe Acrobat Reader.

Click on the callsign part of the opened PDF and type in your call sign. The typed call sign will be reflected on all 12 templates.

Print the template.

Cut out your favorite call sign template and put it in the call sign plate holder of the LC-192 backpack.

Note that printed characters/colors may adhere to the cover of the call sign plate holder.
