

ROTATOR SUPPORT BRACKET 60

ROTATOR SUPPORT BRACKET FOR 40-65 MM MAST

Heavy Duty Rotator Support Bracket (shown are 2 pcs.) Are sold per piece.

Suitable for parallel mast mounting. For a stable rotator and support bearing mounting you will need 2 (two) support brackets. The brackets have been pre-drilled for Yaesu/Kenpro/Create rotators and Yaesu GS-065 support bearing (to be ordered separately). The bracket is supplied with 6 bolts and nuts for mast fixation. Note: GS-050 does not fit on this bracket.
