

PLASTIDIP SPRAY HEMI ORANGE

RUBBER SEAL/ISOLATION

The new PlastiDip® Series with 11 Muscle colors !.

PlastiDip® Classic Muscle Colours bring back the eye catching, high energy colours that made American Muscle Cars the envy of all the world. Classic Muscle Colors from the 60's and 70's make the memory of the car brands Dodge, Ford, Plymouth, Oldsmobile, Buick, Cadillac, Chevrolet, Mercury Nashville, AMC, Lincoln, Pontiac, Chrysler and the jukebox alive again. The Classic American cars with their huge dimensions and powerful eye-catching bold colors were indispensable in every US movie. Durable, flexible and waterproof, Classic Muscle Plasti Dip protects your stuff while making it cool.

The original PlastiDip® made in U.S.A. is an air dry, synthetic multi-purpose rubber coating that can be easily applied by spraying, brushing or dipping. PlastiDip® resists moisture, acids, abrasion, weathering, electrical shock, skidding/slipping, corrosion; coats and gives a comfortable, controlled, color coded grip to all types of tools: lawn and garden, mechanical, electrical, woodworking, and masonry.

Let the coating dry for approx. 4 hours. Also suitable for industrial purposes. Content: 325 ml.

Suitability for application, and performances of finished goods coated with PlastiDip, is the sole responsibility of the customer and end user. Product and item design, pre-treatment, coating conditions, quality assurance and conditions of product end use, are among the factors that affect performance of the coated products, and are outside the control of ClassicInternational. Classic International expressly denies specific or implied warranties, including warranties for fitness for a particular use or purpose.
