

PLASTIDIP THINNER 250ML

Plasti-Dip Thinner

This product was formulated specifically for use with Plasti Dip® where a thinner application is desired, e.g. spray guns. For best results, follow recommended thinning processes. Use with Plasti Dip® multi-purpose rubber coating.

Content : 250 ml

Suitability for application, and performances of finished goods coated with PlastiDip in combination with PlastiDip Thinner, is the sole responsibility of the customer and end user. Product and item design, pre-treatment, coating conditions, quality assurance and conditions of product end use, are among the factors that affect performance of the coated products, and are outside the control of ClassicInternational. Classic International expressly denies specific or implied warranties, including warranties for fitness for a particular use or purpose.
