

PLASTIDIP GLOSSIFIER 3,79 L

GIVE A GLOSSY, POLISHED LOOK TO YOUR PLASTIDIP !

PlastiDip Enhancers are specially designed to make the already-outstanding PlastiDip home solution even better. The enhancers are easy to use and will give any PlastiDipped item a unique look.

PlastiDip, whether in original dip-on/brush-on formula or aerosol variety, dries to a soft, satin finish. This look works fine for many applications, but often a different finish is desired. With PlastiDip Gloss Coating you can give any PlastiDipped item a glossy, polished look. PlastiDip Gloss Coating is ideal for automotive applications, crafts, and many more uses.

PlastiDip Gloss Coating is available in cans of 3,79 L (1 Gallon). They apply quickly and easily with a spray gun. No dilution necessary. Using PlastiDip Enhancers couldn't be easier; the results couldn't be better. For small objects PlastiDip Glossifier aerosol packaging is available.

PlastiDip Enhancers are formulated to bond with the unique chemical structure of cured PlastiDip for superior adhesion and long life. PlastiDip Enhancers are not recommended for use on any other surface.

See product labels for additional information. Due to the content the use of Gloss Coating is only allowed for companies according to EU-law.
