

BALCONY STAND 65 X 65 CM - KIT

FOR PAVING TILES 30 X 30 CM

The dismountable balcony stand 65 x 65 cm is suitable as a base on a flat surface for a free-standing arrangement of a.o. antennas. 4 Pcs. of paving tiles 30 x 30 cm will fit into the framework, which then provide sufficient counterbalance for a stable arrangement of small antennas. If more counterweight is desired, several tiles can be stacked.
